

Further Information and Queries – Dúchas Contact Details

Dúchas has a network of local conservation rangers located right across the country. They can discuss queries in relation to conservation issues affecting lands in their areas.

Further information on conservation sites is available on the Departmental website at www.environ.ie. The Department also has a website aimed at organisations which have a computer GIS system for downloading maps. This is at www.heritagedata.ie.

Or you can contact:

Dúchas the Heritage Service, 7 Ely Place, Dublin 2.
